Open Show Results
23rd September 2018**

Judge: Michelle MacPherson (JAZZANNA)

A lovely show, with a great atmosphere. Thank you to the committee for your invitation to judge your open show. I received a lovely warm welcome despite the cold, wet weather. Such a shame the weather let you down, it would have been nice to have had the rings outside. The catering team did a wonderful job, the food was delicious! Thanks, must also go to my steward who kept the ring running like clockwork.

I was delighted with my entry, thank you to all exhibitors who brought their dogs. Overall, standards were high, temperaments were excellent, exhibits being presented in pristine condition.

Minor Puppy Dog (2 / 2)

Puppy Dog (1 / 0)

1 Moshanta Midnight Hour **BPD BPIS** 11 month old, still very much a baby, but shows promise. Lovely head and expression, of good size, well balanced, good length of stride, set on low tail, good top line. Clearly adored by his handler. Delighted to award him BPD, and Best Puppy in Show. Good luck for the future.

Junior Dog (5 / 0)

1 Master Of Illusion 12 month old, Well balanced boy with good outline and top line. Good head of correct proportion, lovely expression, alert and attentive. Good neck and well laid shoulder, moved out freely.

2 Nashdom Putting On The Style I feel this maybe a mis print as the catalogue shows this dogs date of birth as 26/08/2014, which would make him four? Quality boy, good head, semi erect ears, soft expression. Good overall substance and in good coat. I feel he would have been better outside as the confines of the hall stilted his movement.
