

**WESSEX BORDER COLLIE CLUB
OPEN BREED SHOW
25th September 2016**

JUDGE: Sabrina Smit (From Borders Home)

First I would like to thank the committee for inviting me to this well organised show. You made me all feel very welcome and looked after me with great care. I would also like to thank both my stewards for keeping everything running smoothly. Thanks also to the people that made the effort to enter their dogs to come under me and to endure the weather outburst with me. I had a great day, seeing some wonderful dogs, especially the bitch classes were hard to judge because of the high quality. Next show it could be a totally different outcome, so close the decisions were.

2 Cashindie Too Charming For Rykavar 6 month old black/white puppy male, a happy lively raw puppy that liked his time in the ring, sweet head and expression, a bit shorter in length of neck than nr. 1, which continues in the angulations on the front, but he has a lot of growing up to do, but for his age he went well on the move.

Junior Dog (2 / 1)

1 Littlethorn Manta **BD RBIS** nearly 13 months old, a lovely young black/white male that is in my option, screams "Border Collie", his breed type, muscles and overall moderation. Shown in lovely condition. Balanced head proportions, with correct eye and ear carriage. Very alert to his handler, excellent angulations front & rear. Lovely neck and topline and very good croup & low set tail. When settles sound coming and going, and a lovely, effortless, balanced side gait.
